

**Out in the Jungle, Amar and  
Alice were riding in a jeep.**

**An animal jumped on the jeep.**

**“Hi! I am Momo, your guide  
for the safari!” said the monkey.**

**Amar and Alice followed Momo.**

They spotted a tall animal, a **giraffe** eating leaves from a tall tree.

It had long legs and a long neck.

They saw a furry beast walking on his strong paws, the **lion**.

They saw a striped animal, a zebra eating leaves.

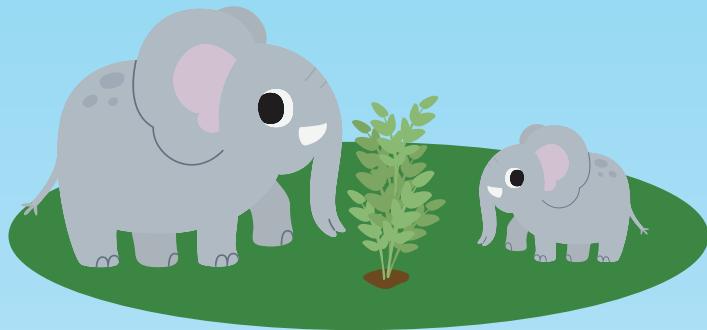

Did you know the black and white stripes on the **zebras** are not same for all?

Amar and Alice saw a **hippopotamus** taking a bath in the water.

The one horned animal, rhinoceros had a huge body and a small tail.

The elephants with big ears were eating leaves using their trunk.

The animal with black spots, the **cheetah** smiled at Momo.

**On their way back, Alice and Amar spotted an animal with black stripes. It was the tiger.**

**Amar and Alice followed the paw prints and saw a big bear passing by.**

**“Where do you live, Momo?” asked Alice.**

**“I live on this tree,” said Momo.**
